### CAN'T BE SEPARATED

Some Belding People Have Learned How to Get Rid of Both

Backache and kidney ache are twin You can't separate them,

And you can't get rid of the back-ache until you cure the kidney ache. If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health. Doan's Kidney Pilis make strong,

Mrs. Charles Honson, Alderman St., Eelding, Mich., says: "Doan's Kidney Pills have been used in my home with great benefit. A member of the family was greatly troubled by backache and sharp pains through the kidneys. Doan's Kidney Pills were finally procured at Connell's drug store and it did not take them long to bring relief. Although I have never had occasion to healthy kidneys.

WHY SALVES FAIL TO CURE ECZEMA They Clog the Pores-Only a Liquid Can Reach the Inner Skin.

Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and can not penetrate

to the inner skin below the epider-

mis where the eczema germs are This-the quality of penetrating-probably explains the tremendous success of the only standard liquid eczema cure, oil of wintergreen as compounded in D. D. Prescription. After ten years of cure after cure, the world's leading skin spe-cialists have accepted this as the

true eczema cure.

We ourselves do not hesitate to recommend D. D. D. Prescription at \$1.00 a bottle, but for the benefit of those who have never tried the prescription, we have arranged with the D. D. D. Laboratories of Chicago for a special large trial bottle at 25 cents on a special offer now. This first bottle ought to convince every sufferer, and, at any rate, it will surely take away the itch at once.
